

2017-2018 PTO Electronic Student Directory

The *Dunbarton Elementary PTO* compiles a school directory each year for the purpose of facilitating communication between families (such as birthday party invitations and play dates). The PTO uses your email address to notify you of upcoming events and volunteer opportunities. This list is compiled in a PDF format and sent to you at the email address you provide. The list is *not* published on the school or PTO Web site, nor is it given out to any businesses or outside interests. **We ask that the list be used for social contact or school business only—no solicitations of any kind may be made using this information.** *You need only supply the information that you feel comfortable providing.*

If you prefer not to give us your email address, you can ask for a paper copy of the list to be delivered to your child.
